

2425 English Interview Workshop

The English Department is proud to announce the successful conclusion of our English Interview Workshop and Downtown Interviews at The Hongkong Electric Company Limited. Fifteen Form 5 students underwent intensive professional training from June to August, supported by retired senior government officials, business leaders, and dedicated HK Electric volunteers. Students delivered outstanding interview performances that earned high praise from Hongkong Electric's Human Resources Department. Participants reported the experience to be exceptionally valuable, having acquired essential communication skills and greater confidence for real-world interactions - competencies that will significantly benefit their future academic and professional pursuits.
